

Here are pictures of pages taken right out of our guest book. These are written by guests who stayed in May 2011. We've cropped the photos to remove personal references and most comments about area activities, since we're concentrating on what guests have to say about their time in All Decked Out. You can read the full comments for yourself when you stay at All Decked Out.

Thank you so much for this beautiful getaway! It has been a huge blessing that we thank the Lord and you for! My new husband and I truly enjoyed our time here, this was a wonderful way to spend our honeymoon! The mountains are breath taking, the nature beautiful. We are going home very happy, and thankful, this was a wonderful experience, and we will be sure to pass this place on to other people looking for a beautiful getaway.

Thank you both for sharing your cabin. My wife & I came to the Smokies to celebrate our 1-Year wedding anniversary and have loved the trip. We spent one day in Gatlinburg exploring the wonderful & unique shops, and another in Pigeon Forge.

The location is fantastic here, minutes away from Gatlinburg or Pigeon, yet secluded enough to witness the beauty & wildlife of the Smokies.

What a special book  
of memory from folks  
you have shared with.

Thank you so much  
for opening your home  
to us.

Comfortable, well  
equipped & clean.
