

**Here are comments taken right out of our guest book. These are written by guests who stayed in October – December 2010. We're not making these up – you can read them for yourself when you stay at All Decked Out:**

Our stay here was lovely! It was the first time in over 25 years of visiting the Smoky Mountains that we came alone – just the two of us – and I have to say it was glorious. Waking up when we wanted to, having no specific plans for each day – just doing whatever we pleased. Your directions to the cabin were great. After we were more familiar with this mountain, we drove everywhere. It's amazing to us, coming from Minnesota, that roads could have been built in here that are so curvy. Thanks for all your help before we arrived. It was a very peaceful getaway and much appreciated.

We so loved your home! Beautiful view and loved the fireplace. Thank you so much for allowing us to stay here

We stayed here with our two boys and their grandmother. We really enjoyed your cabin. It has everything to make your stay wonderful. The boys enjoyed the pool table. Thank you for sharing your place with us. We would love to come back.

Thank you for sharing your cabin with my family. We had a great time. My daughter went out every morning to see if she could see the bears. No luck! God bless you greatly!

Thank you so much for the use of your beautiful cabin. We were thrilled to spend a few days in the mountains. We hiked to Clingman's Dome and visited Cades Cove. On our last day, we lounged around the cabin and enjoyed some really nice quality time. Thank you again for sharing All Decked Out with us.

Wow! What a wonderful time we've had to relax and enjoy your beautiful cabin. Thank you for how well it has been ALL DECKED OUT. You were very attentive in quietly getting a repairman for the hot tub and getting a new VCR. Thanks again. We had such a good time. The colors were beautiful this fall.

Thank you for allowing us to stay here at your lovely "All Decked Out." We took the scenic drive through Roaring Forks and Cades Cove (had a picnic). We also drove all over the mountain. Finally, on our last day, we just hung out, watched movies and played pool. PS – The home was very clean and well kept!

Your home was very accommodating to our family – plenty of room for everyone with space also for time out. The weather has been especially ordered – not too hot or too cold. Thanks again for opening your cabin to strangers.

Thank you for the opportunity to stay in your home. Everything was wonderful. We enjoyed the (Christmas) parade on Friday, shopped on Saturday, and woke up to snow on Sunday! No bear sightings, though. We very well may stay here again when we have several family members joining us.

Thanks so much for allowing us to use your beautiful home. We had my parents and kids with us and had a ball. First time in Gatlinburg and we plan on returning. Shopping, aquarium and games at night made this a fabulous trip. Will be back for sure.

We had an amazing time and will definitely be back! Thanks for a great place!
