

Here are pictures of pages taken right out of our guest book. These are written by guests who stayed in October 2011. We've cropped the photos to remove personal references and most comments about area activities, since we're concentrating on what guests have to say about their time in All Decked Out. You can read the full comments for yourself when you stay at All Decked Out.

Thank you for allowing us
to enjoy your lovely home.
A wonderful time was enjoyed
by all. I missed the Bear
Adventure however, the other
four family members had
an encounter with four
Bears. Perhaps we can vacation
here on another occasion in
the future.

We have had a wonderful time here. The cabin is great - love the spacious bedrooms with king size beds and bathrooms with each bed room. The large closets are a real bonus. We have 7 adults and one child. We have enjoyed being together in the large family room with a nice fire or privacy in our bed rooms when wanted. We have done Dollywood, hiked several trails, drove Cades Cove where we saw many turkeys, deer and a large bear. Yesterday a mother bear and 2 cubs were here at the cabin. The cubs came on the front porch. Today we saw five bear around the cabin. We were so excited! Also the leaves have been beautiful.
