

Here are pictures of pages taken right out of our guest book. These are written by guests who stayed in September 2011. We've cropped the photos to remove personal references and most comments about area activities, since we're concentrating on what guests have to say about their time in All Decked Out. You can read the full comments for yourself when you stay at All Decked Out.

Thank you for letting us have a great time at your cabin, we hope to come back again someday next year

We have REALLY enjoyed ourselves while here. After long days of activities it was good to come back to a nice place to rest. Everything was clean + comfortable. Our grand girls loved the hot tub, and so did I! And the neighbors were very nice. It has been 20 years since my husband and I have been here. Our son + daughter were around 10, now they are here with us with their children. Things have really changed, but the mountains are still beautiful. Good to know some things never change, just like God. I pray we can come back again when the babies are older and can appreciate this more than now. Thank you for letting us use your cabin.

September 29 - October 2

Thank you so much for allowing us to stay in your beautiful cabin. We truly enjoyed ourselves, we got to see some bears walking right in front of the door (truly amazing)! Your cabin is cozy and decorated very nicely. We were truly comfortable. We hope to come back again. Thank you for a wonderful vacation stay.
